

How to use your BLUEBEAN Chip Credit Card

Step 1

Step 2

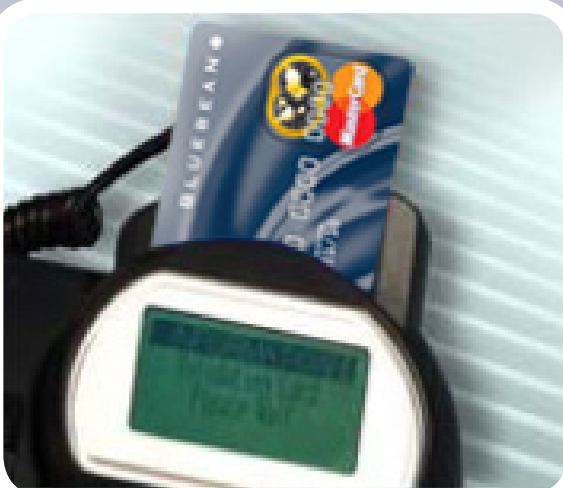

When paying for your purchase, hand your BLUEBEAN Chip Credit Card to the cashier.

The cashier will insert your BLUEBEAN Chip Credit Card into the machine.

Step 3

Step 4

After the cashier has keyed in the amount and payment method, you will be asked to enter in your personal identification number (PIN).

The machine will validate your request and if approved, a transaction slip will be printed. You might be asked to sign this transaction slip.
