BlueBean, a division of The Standard Bank of South Africa Limited (Reg. No. 1962/000738/06). An authorised financial services and registered credit provider (NCRCP15).

Use your BlueBean Credit Card to help you **Get Busy Living** in 2012 by taking advantage of our **top savings tips!**

Here are some great SAVINGS tips:

- **Withdraw cash** from a **Standard Bank ATM** rather than other bank's ATMs as it is **way cheaper**.
- Do your banking using our **FREE self-service banking** instead of visiting the branch. **You SAVE cash PLUS time**.
- **Swipe your BlueBean Credit Card** rather than your debit card whenever you shop and take advantage of BlueBean's **NO transaction fees** for every swipe. That means you'll **SAVE on fees** that banks would charge you for every swipe of your debit card!
- Use your **budget facility** to get whatever you want NOW and spread your repayments over 6 to 60 months, making your monthly **repayments more affordable**.
- **SAVE time** when you load an **Automatic Payment Order** because you'll never have to queue to pay your account again! You'll also **FREE up extra cash** every month if you choose the **minimum payment option** for paying your account. **Or settle your account in full** each month and enjoy up to **55 days interest-FREE credit**.

With all these GREAT SAVINGS come more added benefits such as:

- a **FREE secondary BlueBean Credit Card** linked to your main account.
- a **FREE Garage card** to use to pay for fuel, repairs, services and tolls.
- **FREE electronic statements** sent to your e-mail inbox.
- With **FREE Lost Card Protection** your BlueBean Credit Card is automatically protected against fraudulent use, except for transactions where your PIN is used.
- Get **Basic Automatic Travel Insurance** when you book your travel tickets in South Africa and pay with your BlueBean Credit Card.
